

Ticks of Australia

Tick species

● <i>Amblyomma albolimbatum</i>	● <i>Bothriocroton hydrosauri</i>	● <i>Ixodes fecialis</i>	● <i>Argas falco</i>
● <i>Amblyomma australiense</i>	● <i>Bothriocroton tachyglossi</i>	● <i>Ixodes heathi</i>	● <i>Argas lagenoplastis</i>
● <i>Amblyomma breviscutatum</i>	● <i>Bothriocroton undatum</i>	● <i>Ixodes hirsti</i>	● <i>Argas lowryae</i>
● <i>Amblyomma calabyi</i>	● <i>Haemaphysalis bancrofti</i>	● <i>Ixodes holocyclus</i>	● <i>Argas nullarborensis</i>
● <i>Amblyomma echidnae</i>	● <i>Haemaphysalis bremneri</i>	● <i>Ixodes hydromyidis</i>	● <i>Argas persicus</i>
● <i>Amblyomma fimbriatum</i>	● <i>Haemaphysalis doenitzi</i>	● <i>Ixodes kerguelenensis</i>	● <i>Argas robertsi</i>
● <i>Amblyomma glauerti</i>	● <i>Haemaphysalis humerosa</i>	● <i>Ixodes kohlsi</i>	● <i>Carios australiensis</i>
● <i>Amblyomma limbatum</i>	● <i>Haemaphysalis lagostrophii</i>	● <i>Ixodes kopsteini</i>	● <i>Carios capensis</i>
● <i>Amblyomma loculosum</i>	● <i>Haemaphysalis longicornis</i>	● <i>Ixodes laridis</i>	● <i>Carios daviesi</i>
● <i>Amblyomma macropi</i>	● <i>Haemaphysalis novaeguineae</i>	● <i>Ixodes myrmecobii</i>	● <i>Carios dewae</i>
● <i>Amblyomma moreliae</i>	● <i>Haemaphysalis petrogalis</i>	● <i>Ixodes ornithorhynchi</i>	● <i>Carios macrodermae</i>
● <i>Amblyomma moyi</i>	● <i>Haemaphysalis ratti</i>	● <i>Ixodes simplex</i>	● <i>Ornithodoros gurneyi</i>
● <i>Amblyomma papuanum</i>	● <i>Ixodes antechini</i>	● <i>Ixodes tasmani</i>	● <i>Ornithodoros macmillani</i>
● <i>Amblyomma postoculatum</i>	● <i>Ixodes auritulus</i>	● <i>Ixodes trichosuri</i>	● <i>Otobius megnini</i>
● <i>Amblyomma triguttatum</i>	● <i>Ixodes australiensis</i>	● <i>Ixodes uriae</i>	
● <i>Amblyomma trimaculatum</i>	● <i>Ixodes barkeri</i>	● <i>Ixodes vestitus</i>	
● <i>Amblyomma viikiri</i>	● <i>Ixodes confusus</i>	● <i>Ixodes victoriensis</i>	
● <i>Bothriocroton auruginans</i>	● <i>Ixodes cordifer</i>	● <i>Ixodes woyliei</i>	
● <i>Bothriocroton concolor</i>	● <i>Ixodes cornuatus</i>	● <i>Rhipicephalus australis</i>	
● <i>Bothriocroton glebopalma</i>	● <i>Ixodes eudyptidis</i>	● <i>Rhipicephalus sanguineus</i>
